### Synopsis

Alarms ring in Rome, the Empire's great army has lost another battle in Lusitania. The emperor Julius Caesar asks his four best generals to recruit and equip soldiers: legionaries, doctors, gunners and barbaric mercenaries to face the people who heroically resist in Lusitania. The emperor promises the greatest riches to those who join his cause.

*There is, in the most remote part of Iberia, a people that is not governed nor does it let itself be governed. Alea jacta est.*

### Synopsis

A fast and electrifying duel, inspired in one of the most fascinating battles from the Middle Ages, the Battle of Aljubarrota, in which the King of Portugal fought the King of Castile.

This game is a real challenge to your mental skills and quick thinking. The winner is the player who firstly gets rid of all the cards he is holding.

Intelligence, Speed, Logic and Fine Motor Skills.

An illustrated and educational poster included, to observe and explore!

*Only one King can rule!*

### Synopsis

A little soldier, called Millions, is about to become a great hero. Help him on the final and ultimate victories that are disputed during the First World War. Watch out for the Red Baron, who is listening. A small slip might have dangerous consequences.

This is a smart and challenging game, in which you have to manage your hands. It develops in 12 rounds, in which you fight for cards with positive or negative points. The winner is the player who, by the end of the rounds, is able to sum up more points.

**MULTILINGUAL EDITION**

### Synopsis

It is formed by 52 illustrated cards with different personalities from the World History, which allow playing two games:

#### **EUREKA**

It is played by two teams with two players each. The purpose is to gather four personalities from one family.

When a player gathers the four personalities from one family, he/she communicates discretely the secret signal to his teammate so that he/she can yell EUREKA.

#### **THE FAMILY GAME**

The winner is the player who, along the way, is able to gather the largest number of families.

It includes an illustrated, educational poster, to observe and explore!

### Synopsis

The players personify a character from the History of Portugal, choosing from the four available (Afonso Henriques, Luís de Camões, D. Maria II e Amália Rodrigues), and take part in a challenging and enthusiastic adventure in which knowledge and strategy are decisive elements to reach the commercial ports. The priority is to negotiate merchandise and resources to, by the end of the game, reach one goal: to build the largest number of PORTUGUESE NATIONAL MONUMENTS.

### Synopsis

World Heritage since 1983, the Convent of Christ is a mythical place which guards the secrets of the Templar knights and the Portuguese Discoveries. Considered the greatest exponent of Manueline arte, it maintains the unique characteristics of the architecture of many centuries and its Main Cloister is also considered a masterpiece of European Renaissance.

*A castle in comic format!*
